

Swimlink 2010 Renewals

Swimlink renewals are being taken at reception during the dates listed below. All children and adults on the Swimlink programme must ensure payments are received during this period to ensure their place on the January 2010 term.

Any late payments may result in the loss of your place in the programme and places being offered to members attending the Swimlink Assessments

Thur 3rd Dec - Sun 10th Jan 2010

To ensure your child is re-enrolled into the Swimlink programme for the January 2010 term please read the following:

ALL children MUST be current members of Sportslink. Non-members are not permitted to avail of the swimlink programme. If you are a current member, your child must be added to the membership before the term starts. Form available at reception

ALL children MUST be 4 years of age to participate in the swimlink programme

Any children who were not fully paid for during the last term have not been put onto the system and will not be able to participate in the January 2010 term until the balance is paid

ALL children who completed the current Swimlink term are automatically rolled onto the January 2010 term. Please double check to ensure your child is in the correct class/day/time
